

Join us in thanking Creek Week 2018
Sponsors & Supporters at the
Splash Off

Friday, April 6th 11:00am – Noon
Science Center
3615 Auburn Blvd.
Sacramento, CA 95821

The Annual Creek Steward Award will be presented to:

**Mira Loma High School's
Arcade Creek Project**

VOLUNTEER FOR CREEK WEEK 2018!

Be part of an area-wide volunteer effort to improve and enhance our urban waterways. Trash and invasive plant removal and water quality testing all help support a healthy creek system.

You will have a great time and feel great about the work you have done to help protect our environment.

RIVER REMINDER:

Our creeks flow into the Sacramento and American rivers. Taking action to promote creek health also benefits our rivers!

Go Greener on the Day of the Clean-Up

- Bring your own water and snacks (in reusable containers).
- Bring a bucket or re-use shopping bags to collect trash.
- Bring your own work gloves.
- Join our email list to receive paperless newsletters and brochures.

Go Greener Year-Round

- Use compost and mulch in the garden—it helps your plants, saves water and saves electricity.
- Consider walking, riding your bike or carpooling first.
- Follow directions when using paint, garden and cleaning products—to protect yourself and the environment.
